Re: *In re: Application of Arif Efendi for an Order to Take Discovery*  
Pursuant to 28 U.S.C. § 1782, Case No. 1:19-mc-00228-ALC

Dear Judge Carter:

We represent the petitioner, Arif Efendi, in the above-referenced § 1782 application for an order to take discovery from respondent, DigitalOcean LLC, in aid of a foreign proceeding. Pursuant to the Court's Order entered on May 8, 2019, an order-to-show-cause hearing on the application is scheduled for May 30, with opposition papers by respondent due by May 23.

The parties have agreed to jointly request a one-week extension of the May 23 opposition deadline and a commensurate adjournment of the May 30 hearing date. The purpose of this request is to allow the parties more time to meet and confer about a potential agreed-upon resolution of this matter that would include a voluntary production of information by respondent. This is the first such adjournment request and is made on the consent of both parties.

Accordingly, the parties respectfully request that the Court extend the deadline for respondent's opposition until May 30, 2019, and adjourn the hearing date on the order to show cause until June 6, 2019, or the first date thereafter that is convenient to the Court.

Thank you for the Court's attention to his request.

Respectfully,

A handwritten signature in black ink, appearing to read 'Mario Aieta', is written over the word 'Respectfully,'.
